

TUEBROOK REPORTER

Scrap the Congestion Scheme Update

- Part Victory

Thanks to the hundreds of people who supported our petition to get rid of the West Derby Road Congestion scheme and restore two lane road traffic.

As we go to print the council has agreed with our requests to restore two lane traffic on the out of town route.

We are still campaigning to get the route into town put across Newsham Park and use the wide pavements on West Derby Road from Sheil Road into town.

The fact that the outbound route could be adjusted shows the utter waste of time and additional costs incurred as this Labour Council imposed a flawed scheme on us without consultation.

All the congestion for the last 4 months could have been avoided had this Labour Council asked local people first

The Tuebrook Good Neighbour scheme

Helping older neighbours stay safe during Covid Crisis, The Tuebrook Hope Group has raised tens of thousands of pounds of support to provide hampers for older and medically vulnerable neighbours throughout Tuebrook and Stoneycroft and our adjoining communities.

As we are in a second wave of infection fortunately The Tuebrook Hope Group foresaw it and raised £7,800 from the National Lottery Covid Fund to provide hampers during this second wave.

If you are by age or medical condition vulnerable to covid 19 and would like a hamper e mail us at:

COMMUNITY CLEAN UP

With many people on reduced hours or working from home we have doubled up our community skip rota to help keep the area clean and safe.

Every week this autumn between 4 and 5 community skips are going out, We regret council regulations mean we have to be in the vicinity monitoring skips reducing our ability to put out more. Dont forget we also offer to help people take items to the skip - a service second to none. It is a good thing local people didn't re-elect the Labour Cllr here who was campaigning against our skip programme.

CINDER PATH IMPROVEMENTS

Brecksid Park Cinder path was cut back as Cllr Billy Lake got a competitive bid from a local business.
