News & Information from Neil Taylor

WHAT'S INSIDE:

Conservative broken promises. Don't trust them.

Getting it fixed. Overflowing rubbish bins. Not acceptable.

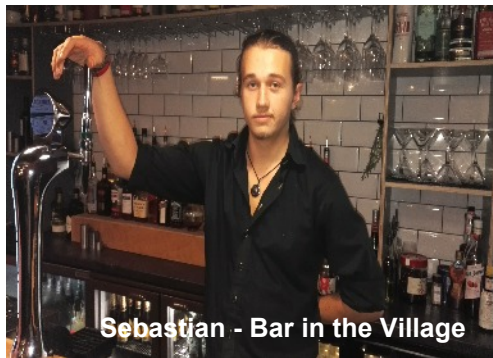

Can you help me? Can you deliver a few leaflets where you live?

# REGENERATION

I am pleased to see parts of Timperley being regenerated with some fresh and new ideas coming to fruition. The Stonemasons Arms has undertaken a long overdue face lift, and is now disabled friendly. And we have seen new cafes and coffee shops opening. Neil will be keeping a close eye on the new Timperley Library development. All good news.

Sebastian - Bar in the Village

Neil catches up with Morris Hart who has recently opened "Bar in the Village"

Commenting, Hart says "It has been so nice to open the Bar in The Village, and we would like to thank the people of Timperley and the local area for the kind words and support they have given us."

Taylor welcomes the new bar "I wish Morris all the best on his venture and look forward to calling in again soon."

"Neil caught up with a local resident, who lives in Timperley Ward and he highlighted a number of issues that have been frustrating him.

"What we need, Neil are some more people like you and me to join the Liberals and get some leaflets delivered to get the message across that we can get a real Liberal Councillor elected in May 2018 .

"I am impressed by what the party stands for, and know the difference it will make to the people here in Timperley Ward to get Taylor back in the town hall."

Neil thanks the people he has spoken to who have offered best wishes and good luck to get re-elected in May 2018.

THE LIBERAL PARTY  
TRAFFORD

**TRAFFORD CONSERVATIVE ACTION**  
Protecting the front line. We will maintain our weekly collection of household waste, keep all our children's centres and library buildings open, retain all our lollipop crossings and invest an extra £4m to support vulnerable children and adults. We will do this by continuing

Your local Conservatives have gone back on their promises to you over and over. Lets take a look at what they said.

"Maintain our weekly collection of household waste"  
**The truth; You now have a two weekly bin collection.**

"Retain all our lollipop crossings"  
**The Truth: Your lollipop controls have been reduced, Your Sure Start Centres are history.**

Can you trust what your Conservatives are telling you? I will fight as I always have done, for local people and to keep those services you and I rely on to remain open, not closed.

**Do not be conned by the local Conservative promises, they will be broken, like introducing a green bin tax.**

**I fear for the future of the Timperley Community Centre**

Are you also worried about the drastic cuts that are taking place? Please contact us and let us know. Details below.

## Rubbish

Neil was out and about in Timperley and was dismayed to see this rubbish bin overflowing. It was good to see responsible dog owners disposing of the dog waste, but frustrating that the bin had not been emptied. Taylor reported this, and the bin was emptied.

## TIMPERLEY

Neil has a long history of promoting the Timperley area.

He attended the old village school, and was on the first intake at Cloverlea.

He set up a successful photographic business in 1987 which is still going today.

He was a Timperley ward Councillor 2006 - 2014 and a former school governor at Heyes Lane.

# I NEED YOUR HELP

Can you help me to get out some leaflets where you are, perhaps display a window poster during election time or put up a board in your garden?

We get no funding at all, unlike the Conservatives, funded by the business community, Labour, funded by the

Trade unions, and the local Lib Dems income from central office and other local sources. **Could you help me** to deliver a few leaflets where you are. Your help really could make a difference. Come and join the Liberal Party and become a active member. Admin, Social media or any generic help really will make a difference.
