## says Joe Dunne

On Thursday 4th May neighbours will have the chance to **Vote for Change** or continue with a Labour Council riddled with abuse of power, dubious asset sales at knockdown prices, allegations of corruption and devastating financial incompetence.

### HERE ARE A FEW OF THE HEADLINES

**Former Deputy Mayor had 17 car park fines cancelled by the “back door”**

**Two former Cabinet members 7 & 4 tickets cancelled through the “back door”**

**£16 million extra costs due to failure review energy contracts**

As much as **£100m of public money** is believed to have been squandered by a **“dysfunctional”** council at the centre of corruption allegations.

### MATCH PARKING SCANDAL

BICo was a council-run company that managed two match-day car parks, supposedly to reinvest the cash in the local community, but a preliminary report shows among other things, unreceipted takings, discrepancies between expected and reported parking levels and the use of cash for things such as providing a job for the one of the councillors involved in the running of the company.

The report was only made public after the intervention of the Information Commissioner's Office.

Millions of Pounds wasted and squandered could of been spent on improving schools, education local roads improvements

**“In May the people of Liverpool will NOT be electing a government but a local council”**

At the last local election in the Tuebrook and Stonecroft Ward the **Liberal Party** beat Labour by **68.0%** to Labour's 25%.

The new **Tuebrook Breckside Park Ward** takes in significant parts of the In the former Anfield Ward where the **Liberal Party (26%)** came a strong second to Labour ( 55%)

**The Tories and their Lib-Dem allies got 1% and 2.6% respectively in Tuebrook. In the Anfield Ward, they got 4% and 7%.**

Voting Conservative & Lib-Dems can only let Labour sneak in the new ward - **please don't waste your vote.**

### HOSTEL AT CITY MISSION NEW ROAD SITE REJECTED all over the area neighbours are rejoicing

After a major consultation by your Liberal Party team **over 100 neighbours** submitted individual objections to the proposed new hostel at New Road

The Police objected saying their resources in the area were already stretched without the

addition of another hostel

**Highways supported our objections** as emergency traffic would have to go through densely populated streets to reach the hostel.

We cannot guarantee there will not be an appeal but we trust our case will stand up to scrutiny.

## TUEBROOK AND ANFIELD CLEAN UP CAMPAIGN

We have had community skips out across parts of the current Tuebrook ward and with your support after May, this scheme will be extended to current Anfield neighbours in the Red Streets, Richmond Park and Rocky Lane/Sunlight Street area.

Cllr Joe Dunne has been visiting neighbours throughout the Rocky Lane, Month Roads and Clarendon Road area reporting by the old Claremont Pub, Lower Breck Road and around the communal bins.

### Pothole & Pavemnet Patrol

**Cllrs Joe Dunne** and **Steve Radford** have again written to both Highways and Planning over the dangerous pavements by the new houses on **Darmonds Green Avenue**. We have also reported potholes in **Hampson St**.
