Dear Neighbours

Firstly, thank you for voting by post. We hope the information provided in this letter gives you information about me and what I pledge to improve our local area.

Can we first start by highlighting that this is a local election, which we will be voting for a local Councillor not a Government.

We all know the horrendous press Liverpool City Council has had for abuse of powers, waste of public funds and suspect property deals.

We will work with other campaign and independent Councillors to provide a real alternative to Labour.

We must stop the Council selling assets off on the cheap to friends of friends and awarding contracts at questionable prices.

Locally we will:

- **Keep Peter Lloyd Sports Centre Local**
- **Call for better traffic control on Muirhead Avenue Roundabout to reduce congestion and the risk of collisions**
- **Support Community Health Initiatives to take the pressure of our GP surgeries**
- **Organise community skips and clean up days**
- **Support our local community centres and churches to extend the offer for youth work and community activities.**
- **Work with local Children's Centres, Schools and foodbank providers to assist families in hardship.**
- **Support the campaigning by the West Derby Society and Friends of Springfield Park**
- **Work with Highways to improve the repair and maintenance of local roads**

With your support on Thursday 4th May we can the new Sandfield Park Ward a cleaner, brighter and prosperous future.

Liam Buckley

Liberal Party - Steve Radford's Candidate

Dont waste your two votes. At the Last local elections the Liberal Party came a clear second in West Derby with the Lib Dems and Tories came 3rd and 5th with only 13% and 8%

Be aware candidates who hide their addresses from the ballot have been parachuted in from as far as Calderstones L18 and Cressington L19

There is a postal voter helpline: 0151 233 3028
